

Bleed area - 3mm from Trim Edge

**Trim box - 55 x 90mm**

Print safe area - 4mm from Trim Edge

The diagram illustrates a rectangular print layout with three distinct zones. At the center is the 'Print safe area', defined by a black dashed border. Surrounding this is the 'Trim box', marked by a red dashed border. The outermost zone is the 'Bleed area', indicated by a grey dashed border. The text labels are positioned at the top left of the diagram, with the bleed area label at the top, the trim box label in red below it, and the print safe area label at the bottom left.
